I go shopping, every afternoon, yeah!
Fall in love with red, red, sneaker!
The shining red, it's so charming!
Come on in my house, red, red, sneaker

Thank you, thank you, red sneaker
This is a good buy! I'm sure
Thank you, thank you, red sneaker
This is the shoes of the year!

I go shopping, every afternoon, yeah!
Fall in love with red, red, sport-car
The shining red, it's so charming!
Come on I'm my house, red, red, sport-car

Thank you, thank you, red sport-car
This is a good buy! I'm sure
Thank you, thank you, red sport-car
This is the car of the year!

Bye-bye, red sneaker
Bye-bye, red sneaker
Bye-bye, red sneaker
I never walk! Ride the sport-car!
