Something's wrong with my toy
Something's wrong with my brownie
Something's wrong in Ohio
And I don't know what to do

Something's wrong with my toy
Something's wrong with my call
Gonna get up from her car
And leave her cold red track, yeah!

Each life each end!

What a strange thing you're saying
I have never come across
Such a person! I'm sorry! do!

Something's wrong with my toy
Something's wrong with my call
Gonna get up from her car
And leave her cold red track, yeah!

Each life each end!

What a strange thing you're saying
I have never come across
Such a person! I'm sorry! do!

Gonna get up from her car
And leave her cold red track, yeah!
