Radio operator to the tower  
Debbie's comin' in for a landing  
Oh put your head between your knees  
Caused by the vibrations of love  
They're about to shake me to pieces

Shell-shocked supersonic blonde  
Hyperphonic female  
Dark sunglasses on  
Everyone is here to see  
Her all-girl rock band

Vortex pulls me in  
The vortex spits me out  
Jet-eyed glitter child strappin' on a gold guitar  
We witness the ultrasonic imploding excitation  
Bodies exhausted in total elation

Shell-shocked supersonic blonde  
Hyperphonic female  
Dark sunglasses on  
Everyone is here to see  
Her all-girl rock band

Oh Debbie  
Queen of the underground  
Carrying her gold guitar  
The show is over  
My downtown baby is headin' home  
Singing a song  
She's walkin' alone  
She walking down the block  
Now she's comin' my way  
As our hearts and our dark sunglasses lock

Shell-shocked supersonic blonde  
Hyperphonic female  
Dark sunglasses on  
Everyone is here to see  
Her all-girl rock band

Every day-every day  
Just a little bit wilder  
Every day-every day  
Just a little bit tighter  
Every day-every day  
Just a little bit wilder  
Every day-every day  
Just a little bit tighter
