[Silkk]

Its the silkk and I aint to be fucked with  
untouchables got my back so mark ass niggaz cant  
touch this  
quick to fade a motherfucker if they want some drama  
so, I pack my fucking truck and niggaz falling like  
dominoes  
bring the world ??? more homicide  
you ask why cause a nigga have a nigga ready to drop  
get caught for jealing just a nigga to life  
didnt even blink I made his ass think twice  
17 years old, but its more like im 8  
cause half of my time was done behind the gate  
I did what I had to do but now this shit is done  
selling rocks on the spot shooting dice with my only  
fuck it  
to jack a motherfucker grab my gat out of the car  
to catch a nigga at a red light bust his ass out his car  
so come on give up your shit I popped his ass in his  
dome  
you cant keep your shit nigga now, cause now im going  
home  
you should of gave it up and now your fucked bitch  
you now next time I aint be fucked with

[Calli G]

you better run you motherfuckers but you cant hide  
cause 3 times today, ya'll do these fucking walk by's  
in 92 was the debut for the west  
its 93 and I did motherfucking came back  
Im underrated undereducated  
black bald by the system, but theses niggaz still made  
it

and I dont give a fuck about the next man  
im either rolling in my benz or seeling cocain  
so I like serving the dope fiends  
but if they run up on me they better come clean  
cause I aint the one to take a short  
your lessons learned ???  
so if I go for my gat you better delt quick  
the name is Calli and I aint to be fucked with!

[C-Murder]

I put my pistol to your mouth and blow your brains out  
shootin' first killing niggaz in they own house  
its like a blast from the past, so watch yo ass  
gat to your back so give me all your fucking cash  
I check your nuts and get your ass a gat G  
cause if I die im talking niggaz with me  
I was born to kill thats what my people say  
never thought I'd ever live to see another day  
thats why a motherfucker had to take it to the streets  
cause if I didn't slang homie then I wouldn't eat  
so im on the set fucking over dope fiends  
hustling on corners with my glock im like a bad dream  
but if a nigga try to clown its like a death wish  
glock to your dome I dont give a fuck bitch  
and if you shoot first nigga you better kill me  
cause ill hunt your stupid ass with a gat G  
boy you better leave my motherfucking city  
a day's done start getting real shitty  
im looking in your eyes as I watch ya die  
dont cry motherfucker kiss your ass goodbye  
cause when I kill I feel so uplifted  
cause when it comes to killin' im so gifted  
so keep fucking with me boy is what im hopein'  
you be bleeding on the ground with you eyes open  
I know you with they had life after death nigga  
you should of know I was quick to squeeze the trigger  
I grab my gun and put my hands on my fuckin' dick  
and let you niggaz know I aint's to be fucked with

[Master P]

Popping and poppin' and poppin' and poppin' shit on  
your ass bitch  
I dont give a fuck cause the P dont take no bullshit  
CMT will start the track now I drop your ass  
I got you hooked on the dope now wheres my fucking  
cash  
now you walking on a tight rope  
but if you stumble and fall motherfucker there goes  
your ass broke  
cause I stick to your ass like some crazy glue  
and I guess I could kill a motherfucker when theres

nothing else to do  
I guess im kind of fucking sick, cause ill blast any  
nigga  
and ill slap any bitch  
I kill this motherfucker trying to fuck with me  
thats was in 85 they found his ass in 93  
so you better think twice when you step to me  
this aint T.V. this is real live jepoardy  
and if you play with my money then your ass is toe up  
do something to your family make your stupid ass  
throw up  
so don't trip when you cut the fucking lights on  
and walk in the house and find them dead with they  
heads gone  
homicide might find my fingerprints on a ski-mask  
but if they looking for the victims try the garbage bag  
now you know im like manson  
never left the scene of the crime im in the next room  
dancing  
slow dancing with the fucking sawdoff  
waiting for you to come in the room to blow your balls  
off  
now your killed by a lunatic  
and with your blood on the wall I aint to be fucked with!

[Sonya C]

kicking the real shit from the motherfucking  
underground
