My body's burnin' like a lava from a Mauna Loa

My heart's crackin' like a Krakatoa

Krakatoa, east of Java, molten bodies, fiery lava

Fire, fire, burnin' bright

Turn on your love lava

Turn on your lava light

Fire, oh volcano, over you

Don't let your lava love turn to stone

Keep it burnin'

Keep it burnin' here at home

Oooo Hot Lava

Oooo Hot Lava

My love may be as high as the highest volcano

But the altitude is way too high

Well it gets so cold when you look at me that way---
yeah

I just wanna have that hot lava

Lovin' me away

My love's mountin'

My love's eruptin' like a red hot volcano

Fire, oh volcano, over you

I gotta lotta lava love locked up inside me

My love's a lava bomb

Knock you in the head

Knock you in the head

Kick you in the lava bed

Over you, hot lava

Don't let your lava love turn to stone

Keep it burnin'

Keep it burnin' here at home

Oooo it's so hot

It's burnin' up in here

Oooo look out, it's about to erupt

Oooo my body's burnin' like a lava from a Mauna Loa

My heart's crackin' like a Krakatoa

Hot fire, red-hot fire

Lava, ohh, hot lava

Hot lava, red-hot lava

Hot lava, re-e-ed, hot lava

Oh hot lava

I'm gonna let it go

Let it flow like Pompeii or Herculaneum

Let it sizzle, let it rise

Don't let your lava love flow turn to stone

Keep it burnin'

Keep it burnin' here at home

I'm gonna jump in a crater

See ya later

Oooo hot lava

Oooo hot lava

Hot lava

Red hot lava

Hot lava

Red hot lava

Yeah
