Free your self in my name Around me the darkness
pulls
me
Oh Lord of the Abyss towards the ambition
Turn on your pain fury that will live in me
And spread it on my A song returns in time
beeing. Darkness sunrise Drives my thoughts insane
let me hear your sinful venial and possess me In mad
greed

The Water's Flow...
In this Place on me
Waiting for my Time!

The Water's Flow
For my Blindness
In this Place on me
For my Blindness
In this Place on me
In this Place on you
Waiting for my Time
I Listen that Fog
I Listen that Fog!
