Doctor, my woman
Is comin' back home late today
Could you maybe give me somethin'?
'Cause the feeling is gone and I must get it back right
away
Before she sees that I've been
Up, down, tryin' to get the feeling again
All around, tryin' to get the feeling again
The one that made me shiver
Make my knees start to quiver
Every time she walks in

And I've looked high, low
Everywhere I possibly can
But there's just no tryin' to get the feelin' again
It seemed to disappear as fast as it came

Read ev'ry book
Looked
Through every meditation and poem
Just to bring home
That old sweet sensation
But it ain't no use to me
To try to get that feeling again

Where did it run to?
I thought I'd done all that I could
Just to keep the love burnin'
But whatever I've done, I, I just haven't done it too good
Cause all that's left is yearning

I've been up, down, trying to get the feeling again
Like a bloodhound searching for a long lost friend
Could you help me rediscover
The way to re be her lover once again

Read every book
Look for every meditation and poem
Just to bring home that old sweet sensation
But it ain't no used to me, to try and get that feeling
I want to get that feeling again

I've been up, down, trying to get the feeling
I've been up, down, trying to get the feeling
I've been up, down, trying to get the feeling again
Again, I've been trying to get the feeling
I've been up, down, trying to get the feeling
Again, again, again, oh,
Oohhh...
Where did it go? I wanna know
Everyday, I've been up, I've been down
I've been up
I've been looking for you, looking for you
Looking for you, looking for you, yeah, oh yeah
I've been trying to get the feeling (Fade)
