Oh Why? Why did we end it this way  
Oh Why ? You promised you'd stay  
You never hinted at this before  
Now I watch you close the door

[Chorus]

This is the first and the last time, You have said  
goodbye  
This is the first and the only time that I've seen you  
cry  
This is not the first but the last time, I will see your  
smile.  
This is not the first but the only time, for a long long  
while.

Oh I, I have looked for the reasons  
And your emotions change like the seasons.  
One day you're hot the next you're rain  
The tears you cry will leave a stain.

[Chorus]
