Rainy Day
100000 Maniacs
(Love Among The Ruins)

On bended knee I've looked through every window
then.
Touched the bottom, the night a sleepless day instead;
a day when love came, came easy like what's lost now
found.
Beneath a blinding light that would surround.
We were without, in doubt, we were about saving for a
rainy day.
I crashed through floors of laughter, then.
In a blind science, no ties would moor us to this room.
A day when love came, came easy like what's lost now
found.
And you would save me, and I held you like you were
my child.
If I were you, defiant you, alone upon a troubled way.
I would send my heart to you to save it for a rainy day.
