The king is high  
On shit too sick to mention  
The king is high  
On something? attention

Teenage girls all down on their knees  
Waiting in line just to give it a squeeze  
I say underage girls down on their knees  
Waiting in line just to give it a squeeze

I had a hit and I lost control  
Now I'm the king of rock and roll  
I took a hit and I lost control  
Now I'm the king of rock and roll

The king is high  
On shit too sick to mention  
The king is high  
On something? attention

Teenage girls all down on their knees  
Waiting in line just to give it a squeeze  
I say underage girls down on their knees  
Waiting in line just to give it a squeeze

I kiss my ass and I save your soul  
Yeah I'm the king of rock and roll  
I kiss my ass and I save your soul  
Yeah I'm the king of rock and roll  
I suck my dick and I save your soul  
Yeah I'm the king of rock and roll  
I suck my dick and I save your soul  
Yeah I'm the king of rock and roll

King of rock and roll  
They say image is one thing  
And feeling good is another

Yeah crack me a hypo baby  
Bring it this way baby  
Let me show you where to stick it baby

Stick it where ever baby

I suck my dick and I save your soul  
Yeah I'm the king of rock and roll  
I suck my dick and I save your soul  
Cos I'm the king of rock and roll  
King of rock and roll  
King of rock and roll  
King of rock and roll
