It's just me, the monkey
Do as you say
Put on showtunes for a play
Control my brain

Break my heart, tear out my spleen
Teach me go outside
Climb a tree with two broken feet
Soon I start to cry to you in the sky
You'll see me waving by

It's just me, the monkey
Do as you say
Even dumb birds tease me for play
I can't complain

They're only pecking at my two broken feet
While climbing up a tree
I swipe one across the beak

Now I'm finally free from you in the sky
You'll see me waving by
To you in the sky
You'll see me waving by

Don't tie me
Don't lie to me
Don't tie me

If this is you with all your intentions
Of us in the sky

Till you see me waving by
To you in the sky
You'll see me waving by
To you in the sky
Did you hear me say goodbye?
