I know the desert could hold all the love that I feel in my
heart for you
Just like the ocean that started to roll, my love it could
be coming to you
Ain't that a lot of love for one heart to hold
Ain't that a lot of love for one heart to hold

If the cook in the kitchen had a touch as hot as yours, it
wouldn't need a fire
I can't think of a word that describes you better than
indescribable
Ain't that a lot of love for one heart to hold
Ain't that a lot of love for one heart to hold

If the bees only knew how sweet you were, darling, they
would shut up their honey comb
If the birds could hear how sweet your voice is, they'd
pack up and fly away
Ain't that a lot of love for one heart to hold
Ain't that a lot of love for one heart to hold
