Chorus:

N.C. G

Let's go out (let's go out)

C

In a Blaze of Glory

G D

All good things must end

G C

Like three heros in a story

G D

Lets go out like we came in

G

In a Blaze of Glory

G C

Here we are, and we're broken-hearted

G D

Thought this love could never end

G C

Now we fell hard once we got started

G D G

Fallin' out like we fell in

(Chorus)

G C

Let's not try to hurt each other

G D

That could be a big mistake

G C

Let's just try to act like brothers

G D G

One more time for old-time's sake

(Chorus 4 times)
