G D
Who else is gonna bring you
Em C
A broken arrow
G D
Who else is gonna bring you
Em C
A bottle of rain
G Em F C
There he goes, moving across the water
G Em F C
There he goes turning my whole
G
world around

G
Do you feel what I feel
D G Em
Can we make that so it's part of the deal
C /d G /f#
I gotta hold you in these arms of steel
Em D D7
Lay your heart on the line ... this time

I wanna breathe when you breathe
When you whisper like that hot
summer breeze
Count the beads of sweat that cover me
Didn't you show me a sign, this time

Who else is gonna bring you
A broken arrow
Who else is gonna bring you
A bottle of rain
There he goes, moving across the water
There he goes turning my whole
world around

Can you see what I see
Can you cut behind the mystery
I will meet you by the witness tree

Leave the whole world behind

I want to come when you call
I'll get to you if I have to crawl
They can't hold me with these iron walls
We've got mountains to climb

Who else is gonna bring you
A broken arrow
Who else is gonna bring you
A bottle of rain
There he goes, moving across the water
There he goes turning my whole
world around
