E F#m  
They say everything can be replaced  
G#m A B E  
They say every distance is not near  
F#m  
So I remember every face  
G#m A B E B  
Of every man who put me here

(Chorus:)  
E F#m  
I see my light come shinin'  
G#m A B E  
From the west down to the east  
F#m  
Any day now, any day now  
G#m A B E  
I shall be released

They say ev'ry man needs protection  
They say that ev'ry man must fall  
Yet I swear I see my reflection  
Somewhere so high above this wall

(Chorus)  
Now yonder stands a man in this lonely crowd  
A man who swears he's not to blame  
And all day long I hear him shouting so loud  
Just crying out that he was framed

(Chorus)
