Guitar (capo 3rd fret)

C G/B

It makes no diff'rence where I turn

Em G/D Am7

I can't get over you and the flame still burns

C G/B

It makes no diff'rence, night or day

Em G/D Am7

The shadow never seems to fade away

Am7/D G Em7 C D G C

And the sun don't shine anymore

G Em7 C D G C G

And the rains fall down on my door

G

Now there's no love

Dm

As true as the love

C A7

That dies untold

G Em7 C D G C G

But the clouds never hung so low before

It makes no diff'rence how far I go

Like a scar the hurt will always show

It makes no diff'rence who I meet

They're just a face in the crowd

On a dead-end street

And the sun don't shine anymore

And the rains fall down on my door

These old love letters

Well, I just can't keep

'Cause like the gambler says

Read 'em and weep

And the dawn don't rescue me no more

D Bm

Without your love I'm nothing at all

C Cm  
Like an empty hall it's a lonely fall  
D Bm  
Since you've been gone it's a losing battle  
C  
Stampeding cattle  
Am D  
They rattle the walls

And the sun don't shine anymore  
And the rains fall down on my door

Well, I love you so much  
It's all I can do  
Just to keep myself from telling you  
That I never felt so alone before
