Born on the south side, got my schoolin' at the pool hall
Saturday night we get back to back, Sunday mornin',
wall to wall
Never seen nothing like it, people jumpin' out of
windows and going mad
That's not half as bad as losin' what you never had

CHORUS

Back in 1929 it was livin' hell

Crime was on the rise when the bottom fell
Keepin' poverty pocket high upon the hill
Back door you lock it, they'll break it still
