E

You can walk on the water, drown in the sand
You can fly off a mountaintop if anybody can
Run away, run away--it's the restless age
Look away, look away--you can turn the page

A A7 E

Hey, buddy, would you like to buy a watch real cheap
Here on the street

F#m E/G# A B7sus E

I got six on each arm and two more round my feet

E A/E E A/E

Life is a carnival--believe it or not

E A/E E A/E

Life is a carnival--two bits a shot

Saw a man with the jinx in the third degree
From trying to deal with people--people you can't see
Take away, take away, this house of mirrors
Give away, give away, all the souvenirs
We're all in the same boat ready to float off the edge
of the world

The flat old world

The street is a sideshow from the peddler to the corner
girl

Life is a carnival--it's in the book

Life is a carnival--take another look

Hey, buddy, would you like to buy a watch real cheap
Here on the street

I got six on each arm and two more round my feet

Life is a carnival--believe it or not
