I don't think I could tell you when
I'll be coming back this way again
Got no way of knowin, how far I'll be goin
Or how long I might be stayin
Been puttin it off too long

Got some folks there that I used to know
But I'd be wastin time, you know just what I'd find
More of the same that made me leave there
Been puttin it off too long, time to be movin on
And there's so much that I'd like to see ...

And all of those people that I used to know

More of the same that made me leave there
Been puttin it off too long, time to be movin on
And there's still so much that I'd like to see ...
