Well, it's an ill wind that blows no good  
And it's a sad one that won't love like I know it should  
And oh, how lonesome you must be  
And it's a shame if you don't share your love with me

It's a heartache when love is gone  
But it's bad, even sad, later on  
Oh, there's no one blinder than he who won't see  
And it's a shame if you don't share your love with me

Well, I can't help it when she is gone  
You must try to forget, oh, you must live on

And I know it's a good thing to love someone  
But it's bad, even sad, when it's not returned  
And oh, how lonesome you must be  
And it's a shame if you don't share your love with me  
And it's a shame if you don't share your love with me
