Am

Didn't we break the silence

Am7

Didn't we fear the storm

Am7

Didn't we move the earth

Am7

Didn't we shoot for the sky

Am7

And didn't we catch the fire

Am

And didn't we call upon the spirits

Am

And didn't we fall together

Am

And didn't we die for love

D

Days on the run, Nights in hiding

D

Hoping that you were, The healing inside me

C

Breathe in the sweet fire of love

I'm not afraid anymore

G5

Sweet, sweet fire

I'm not alone

C5

Breathe in the sweet fire of love

I'm not the same anymore

G5

The sweet fire of love

D C A

D C Am

Didn't we cross new waters

Am

Didn't we mix new blood

Am

Didn't we build brand new bridges

Am
Didn't we hold back the flood

D7
Broken idols by the side of the road

D7
They didn't fall on the side of the law

Am D
Here she comes a-shining like a light

Am D
Here she comes salvation in the night

Days on the run
Nights in hiding
Hoping that you were
The healing inside me

Breathe in the sweet fire of love
I'm not afraid anymore
Sweet, sweet fire
I'm not alone
Breathe in the sweet fire of love
I'm not the same anymore
The sweet fire of love

Didn't we shine like silver
Didn't we bear the cross
Didn't we bring down the hammer
Didn't we beat on the drum

Here she comes a-shining like a light
(Days on the run)
Here she comes salvation in the night
(Nights in hiding)
I'm giving up the ghost
(Hoping that you were)
I'm giving up the ghost
(The healing inside me)

Breathe in the sweet fire of love
I'm not afraid anymore
Sweet, sweet fire
I'm not alone
Breathe in the sweet fire of love
I'm not the same anymore
The sweet fire of love
