You how long I've waited
I waited for so long
I reach the place I'm going
That's my home
friends say howdie doo
and they all mean it too
a woman's love so true
That's my home

(bridge)

It matters a difference
If it's a one-room shack
Any time that I get back
I still like it like that

And we got blues that match the sky
And lovebirds like to fly
Until the day I die
That's my home

(bridge)

And friends say howdie doo
and they all mean it too
a woman's love so true
That's my home
That's my home
That's my home
