You got me spinning
You got me spinning like a spinning top
You got me hoping
Hoping this love will never stop

(Refrain)
You gave your love to me, and all my dreams
Your love is making me believe in me

You got me burning
You got me burning like a pile of steam
You got me running
Got me running like a pile of steam

(Refrain)

You got me knowing
Knowing that you in my life I'd spend
You got me rolling
Rolling like a river around the bend
You got me turning
Turning around like a spinning top
You know you got me knowing
Knowing our love would never stop
