I saw her standing on the corner
A yellow ribbon in her hair
I couldn't keep myself from shoutin'
Look-a there (look-a there, look-a there, look-a there).

You got young blood, young blood
All a lady young blood
She's got a young blood
Oh, I can't get you out of my mind.

I took one look and I was fractured
I tried to walk but I was lame
I tried to talk but I just ...
What's your name (what's your name, what's your
name, oh what's your name ?)

Young blood
Oh she's got a young blood
All a lady young blood
Oh, I can't get you out of my mind.

What crazy stuff, she looked so tough
I had to follow her all the way home
Then things go bad, I met her dad, he said:
'You better leave my daughter alone'.

We're standin' young blood, ha-ha
Young blood
I gave me young blood
You know I can't get you out of my mind.

I couldn't sleep away for trying
I saw the rising of the sun
And all night long my heart was cryin'
'Cause you're the one ('cause you're the one, 'cause
you're the one, 'cause you're the one).

Young blood
All a lady young blood
Young blood
Oh, I can't get you out of my mind.

Young blood
All a lady young blood
Young blood
Oh, I can't get you out of my mind.
