We had a talk, a talk, a talk last night  
About the issues that I've got  
I thought you'd walk, but no you stayed my love  
When you look at me I see stars  
And nothing gets to me in your arms  
We had a talk, a talk, a talk last night  
About the issues that I've got  
I wanna walk the walk for you my love  
I can be mean, make scenes, get jealous too  
I lose my temper and my keys  
But you just smiled and said  
I'm just like you  
When you look at me I see stars  
And nothing gets to me in your arms
