Mass aggression, holy war,  
Not knowing what they're fighting for,  
Setting rivals, end of time,  
Time has come time to draw the line,  
Wasted children, waste of lies,  
Holy wars, just a pack of lies,  
In the end,  
What was gained countless lives all were lost in vain,  
Fight for god, religious lies,  
In the end it's just mass demise,  
Endless battle, no one wins,  
Fight for peace is the final sin,  
Holy children, preaching hate,  
Letting prophets decide their final fate,  
Look ahead, not behind, intolerance,  
The fall of mankind, in the end all is lost,  
Future children pay the final cost.
