Hop on to a magic carpet ride
I don't know if the wind could take us
all the way downtown
Hop on to a magic carpet ride
it'll show if the wind can take us all the way
all the way around- all around
Don't look- don't even do it
You know there's nothing to it
when you've learned- I'm right

I'm never wrong
I'm never wrong
I'm never wrong- I'm always right

Come on it's a groovy kind of ride
VCR's- fancy cars and braces
don't mean much up there
Get on to my magic carpet
fly to the stars
not too far it's splendid
catch your breathe- then hold

(chorus)
Don't look- don't even do it
You know there's nothing to it
when you've learned- I'm right

I'm never wrong
I'm never wrong
I'm never wrong- I'm always right

No telling where at all we'll end up
no telling when we'll start to catch our breathe again
Don't look back- this is super great
I'm so glad- we won't have to wait
Don't look back- don't get me wrong

(chorus)
Don't look- don't even do it
You know there's nothing to it
when you've learned- I'm right

I'm never wrong
I'm never wrong
I'm never wrong- I'm always right

I'm ne-ver wrong
I can't be wrong- if I'm right
