Jaiden, Oh Jaiden
You're fading, you're fading
You take my heart away when I think about the days
when,
We were like ourselves, always together.

Jaiden, Oh Jaiden
The mistakes that I keep making.
You've taken what was sacred,
And made it go away
'Cause that's how karma works, always forever

So I'll steal your heart another day, yeah
And we'll keep livin' in this holiday, yeah
We can find ourselves looking for the same things

Dreams, yes dreams are really useless
When it comes to spending times with you - Miss
You make all my dreams come true without reason

I wish you were here oh oh, oh oh (2xs)

Jaiden, Oh Jaiden
I'm waiting, I'm waiting
The pain goes away when I mutter your name,
I pretend that we were always together.

Jaiden, Oh Jaiden
I'm aging, I'm aging
I'm olding, I'm graying
I still feel the same,
Love only plays for keeps always forever.

So I'll steal your heart another day, yeah
And we'll keep livin' in this holiday, yeah
We can find ourselves looking for the same things

Dreams, yes dreams are really useless
When it comes to spending times with you - Miss
You make all my dreams come true without reason

I wish you were here oh oh, oh oh (2xs)

And now flowers seem to lose their fragrance,
Like a child with no imagination
Colors once so vivid now only seem gray.
Â'Cause my world, my world it spins for you,
And just know that I will always adore you.
Your face is imprinted on the back of my eyes.

I wish you were here oh oh, oh oh (5xs)
