Ant Banks, I met this girl  
(What?)

This little light-skinned girl from 90th and Bancroft  
Little sexy, light-skinned, freaky little broad, man

I got a ho on 91st, man, what?  
What's up with that?

Man, her name Racia?  
Huh, that's my bitch, man  
That's my bitch, man

You fool, that's my bitch  
We gon' fight in this motherfucker  
That's my bitch  
Fuck that, check this out, man

I met the bitch, so I took her out  
From McDonald's to the goddamn house  
Go in the movies, started drinking [unverified]  
My dick sucking some pussy is all that I'll be needing

Racia'll make your toes curl up  
While she's licking your ass with her tongue up your  
butt  
Fuck around, she'll put ice on her tongue  
And suck your dick 'til your balls get numb

I got hooked by my homie, Jamal  
Handed me a number, said, "Pooh, give that bitch a  
call"  
I called the bitch, let her ride my dick  
She tried to be slick, but the ho ain't shit, but a trip

The pussy's good but the head is better  
She wanted to fuck Plan B so I let her  
She got some partners like Trichel and Sharell  
Another bitch named Savor from Favor

The type of bitches I talk bad about  
Quickly fuck, get dressed and get the fuck out  
But good is good and my game is thick

You can fuck all you want, Ant Banks, but Racia is my bitch

That's my bitch, man I'm telling you  
That's my bitch, peep this out, boy

Now Racia is my bitch and every time I see her  
I twitch and think about how she iced those lips  
On my dick and jacked me like a rabbit  
She's a veteran at it, I just let her have it

'Cause she swallows it all like a champ  
Licks my dick like a brand-new stamp  
Sticks her face in my ass and dismantles it  
She ain't your bitch, Pooh, you can't handle it

'Cause she's the type Pooh likes at first glance  
She waits for Ant Banks to wax that ass, huh  
See, I'm telling you, Pooh, like this  
Racia's a ho, man, but she's still my bitch

Yeah, man, all that shit sounds real good  
But you know what?

Now take my bitch, I guess y'all fools don't know  
Racia, that's Short Dog's ho  
I've been fucking since '84  
And in the '90 that bitch is tore

I'm straight macking that bitch  
But don't trip 'cause she'll suck your dick  
One by one she'll just lick and lick  
I treat bitches like hoes so just pay up, trick

'Cause Racia, she don't like 'em small  
She likes big dicks and big balls  
That's my kinda ho  
She gave me head in my 5 0 0

S-E-L, Mercedes Benz, I'm even pimping that bitch's friends  
So don't be juiced 'cause she gave you the cock  
She fucked me and my homie Jock  
Racia, she got a rep from fucking the clique, but she's still my bitch

Man, I'm telling y'all, that's my bitch  
That still be my bitch, man  
Ain't no way in the world somebody can tell me it ain't my bitch  
Fuck all, y'all, just fuck all, y'all

I'm about to go fuck her right now? What's up, what's up?

I'm about to go fuck her right now

I fucked her four times in two minutes already

But, hey, Racia, you everybody's a bitch

"Bitch, call her a bitch"

"Bitch, call her a bitch"

"Bitch, call her a bitch"

"Bitch, call her a bitch"
