[Talking Intro-]

There is no real me  
Only an entity  
Something illusionary  
And though i can hide my cold gaze  
And you can shake my hand  
And feel flesh griping yours  
And maybe you can even sense  
That our lifestyles are probably comperable  
I simply..am not..there

She said "Live young and leave a wake of beauty."  
That's all I ever could have asked, should have asked  
from you.  
And I won't forget to write you when I get there soon,  
'Cause you'll be lying dead from stab wounds to the  
neck and chest again.  
(They found you covered up in blood, covered head to  
toe in blood.)  
Face first in a tale of awkward love.  
(They found you covered up in blood, she's bleeding,  
she's bleeding.)  
Gone, with the stitching in her heart left out,  
A silhouette that just won't heal  
And dying in your arms tonight.  
(In my dreams, we die with this blood and this knife.)  
Locked away.  
I know it's all just a bad dream now.

So now midnight's here, you're all alone.  
They use this fear.  
It's all just a bad dream and  
I can't seem to wake up from this.  
Midnight's here, you're all alone.  
They use this fear.  
It's all just a bad dream and  
I can't seem to wake up from this.

(In my dreams, we die with this blood and this knife.)  
Now! I know it's all just a bad dream now...  
I say, "This is the last time that I will ever get to see

your face alive."  
(They found you covered up in blood, covered head to  
toe in blood.)  
She said, "Live young and leave a wake of beauty."  
That's all I ever could have asked, should have asked  
from you.  
And I won't forget to write you when I get there soon  
'Cause you'll be lying dead from  
dreaming...nightmares.

So now midnight's here, you're all alone.  
They use this fear.  
It's all just a bad dream and  
I can't seem to wake up from this.  
Midnight's here, you're all alone.  
They use this fear.  
It's all just a bad dream and  
I can't seem to wake up from this.  
Midnight's here, you're all alone.  
They use this fear.  
It's all just a bad dream and  
I can't seem to wake up from this nightmare.
