What you gonna do now,
What you gonna say now? Yeah!
Be what you, you find the way out!
What you gonna do now,
What you gonna say now? Yeah!
Believe what you, you find the way out!

..ring that loud, break that over again!
Highest hill high tracing the clouds,
Watching the plane go by,
,is here the quite frontier,
Every dream wakes with pain!
Ah, waiting here, is watching hard to say!

Chorus:
Oh, oh! Make the change it won't go away!
Oh, oh! You're already, worlds away!
No such thing as chance!
..just get away
From your man!

Wonder how it ends, trying to ascend,
Knowing you will ... again,
Stars are bound, crying out loud,
Showers of rain descends,
..the dirtiest try,,
..is watching how to say!

Chorus:
Oh, oh! Make the change it won't go away!
Oh, oh! You're already, worlds away!
No such thing as chance!
..just get away
From your man!

..turn around now, and watch me!
Watch me, watch me, watch me!
See I put it down now, then I let it in!
Put your hands on me, but don't apply pressure,
So you're, but you're a lot fresher!
You're sick, you're dopped, you fly

I just might make you mine!
Play your card right,
Step in the line light,
Get your, make sure your mind is right,
So get high, can't say I sound like
That's what it is, so get this chick to,
..just to reappear , cause bad rhymes is everywhere!...

Chorus:

Oh, oh! Make the change it won't go away!
Oh, oh! You're already, worlds away!
No such thing as chance!
..just get away
From your man!
