Do it...um humm...yeah...huh...umm...do it x4

You touch me, baby  
But don't cha know  
You can't hide  
No, no, baby  
When you give it up  
It's only enough  
To get me by

You're playin' a game  
It's so plain  
You want me to win

I'm willin' to play  
What ever you say  
If love is the end

Playin' your game, baby  
Your game, baby  
Just you and me  
Playin' your game, baby  
Your game, baby  
Nobody but you and me

Do it to me (repeated over and over)

You start, you stop  
You know what you got  
Is what I need  
Oh, yes it is  
When you give it up  
It's only enough  
To make me say  
Ooo wee...

That you're playn' a game  
It's so plain  
You want me to win

Girl, I'll play

What ever you say  
If love is the end

Playin' your game, baby  
Your game, baby  
Just you and me  
Playin' your game, baby  
Your game, baby  
Just you and me  
Oh, yeah...

Playin' your game, baby  
Your game, baby  
Just you and me  
Playin' your game, baby  
Your game, baby  
Nobody but you and me
