I'm longing for the day
That you come back and stay
Everybody wants to know
Why this heartache and pain
Cuts like winter rain
And there's nothing that I can do

I'm longing for you baby
And every time it's maybe
I die a little more ohhhhhhh
I'm longing for you baby
And every time it's maybe
I die a little more ohhhhhhh

We longing for the day
I get home to stay
All this time I did not know
Would it been to be free
Would it be you to me
We just have to let it go

I'm longing for you baby
Cause every time it's maybe
I die a little more ohhhhhhh
Time is still new
The tune is no room
Take down in arms with my love

I'm longing for you baby
Cause every time it's maybe
I die a little more ohhhhhhh
I must stand new
The tune has no room
To make down in life with my love

I'm longing for you baby
And every time it's maybe
I die a little more
I come home to stay
Everybody wants to know
