Why are you beginning the end?
Why is when you're real so pretend?
The bed that you've been sleeping in is not your own
You're so far away... from home

[Chorus]
Things are not okay
Things are not alright
Everyone's afraid
And this is our life
If that's who we really are
Then maybe we've gone too far
Inhuman nature

Your mother and your father can't explain
Why everything around you is strange
And you can't do anything about the circumstance
No I can't make... you change

[Chorus]
Things are not okay
Things are not alright
Everyone's afraid
And this is our life
If that's who we really are
Then maybe we've gone too far
Inhuman nature

Inhuman nature

I don't care what you hear about
I don't care what you read about
We are all the same

I don't care what you hear about
I don't care what you scream about
We are all to blame

[Chorus]
Things are not okay
Things are not alright

Everyone's afraid
And this is our life
If that's who we really are
Then maybe we've gone too far
Inhuman nature

Inhuman nature x2
It's inhuman nature
Oohh...
