Tell me how did you feel, when you come out of the wilderness?
How did you feel, when you come out of the wilderness?
How did you feel, when you come out of the wilderness?
Lean and lonely lord
Well, I felt like shouting, when I came out of the wilderness.
I felt like shouting, when I came out of the wilderness.
I felt like clapping, when I came out of the wilderness.
Leaning on the Lord
Well, I told everybody, when I come out the wilderness.
I told everybody, when I come out the wilderness.
I told everybody, when I come out the wilderness.
Lean and lonely Lord
Tell me how did you feel, when you come out the wilderness?
How did you feel, when you come out the wilderness?
How did you feel, when you come out the wilderness?
Lean and lonely Lord
Well, I felt like shouting, when I come out the wilderness.
I felt like shouting, when I come out the wilderness.
I felt like shouting, when I come out the wilderness.
Lean and lonely Lord
Well, I told everybody, when I come out the wilderness.
I told everybody, when I come out the wilderness.
I told everybody, when I come out the wilderness.
Lean and lonely Lord
