Well I ain't goin' to marry,
Neither settle down.
Well I ain't goin' to marry,
Neither settle down.
I'm going sit right here till
I tear this bare home down.

Ain't no use of weepin',
There ain't no need to cry,
Ain't no use of weepin',
There ain't no need to cry
Because you've got a home,
Just as long as I got mine.

Well I loves you baby,
And I tell the world out loud,
Well I loves you baby,
And I tell the world out loud,
I don't love nobody in this
Whole round world but you.

Did you get that letter mailed,
Mailed in your backyard,
Did you get that letter mailed,
Mailed in your backyard.
Well it's sad what they said
But your best old friend had to part
