Turn back on the broken heartache
Some things are just meant to be
I still believe that we got a chance
Still believe that we got a chance to be
Too much is never enough and
Too little is never enough
Full speed got me looking out my rear view
I can?t go back

Chorus:

Goin? 100 in a 55 and I don?t know why I?m still alive
but I
Do what I can but I know I can?t take anymore
I still believe in this rock and roll
And I pray the music gonna save my soul
But till then I still believe some things are just meant to
be

It's messed up but I got this mission
Drunk again wont remember anyway
She said it?s just a game boy
Don?t be gone don?t be gone for long
Ten years I?ve been doing this forever
Its all I know baby please don?t turn away
I know you don?t believe in me
But I do believe in you

Chorus

Interlude:

I?m still falling
Away from here
Away from here
I?m still falling
The wings are falling off
I can?t go back
I?m in too deep

Chorus x 2

I still believe

Some things are just meant to be
