Lie alone in bed at night  
Feel the pull of a lonely day  
Thoughts like music start to play  
I wonder where you were today

Baby, baby blue  
Baby blue eyes I dream of you

Late at night  
when the whole world's sleeping  
I dream of you  
Close to you  
I feel your sweet heart beating  
I dream of you

Late at night  
Late at night  
Honey, late at night  
I dream of you

Baby, baby blue  
Baby blue eyes a lovin' you

I'll hold you in my dreams tonight  
Hold you 'till morning's light

Baby, baby blue  
Baby blue eyes a lovin' you

Baby, baby blue  
Baby blue eyes a lovin' you

Baby, baby blue  
Baby blue eyes a lovin' you
