I hate to say it, but I told you so
Don't mind my preaching to you
I said don't trust him, baby
Now you know
You don't learn everything there is to know in school
Wouldn't believe me when I gave advice
I said that he was a tease
If you want help you better ask me nice
So be sincere, convince me with a "Pretty please"

(Chorus)

Laugh, laugh, I thought I'd die
It seemed so funny to me
Laugh, laugh you met a guy who taught you how it
feels to be
Lonely, oh so lonely

Don't think I'm bein' funny when I say you got just what
you deserve
I can't help feeling you found out today
You thought you were too good, you had a lot of nerve

Won't say I'm sorry for the things I've said.
I'm glad he packed up to go
You kept on braggin' he was yours instead
You found you don't know everything there is to know

(Chorus)

Laugh, laugh, I thought I'd die
It seemed so funny to me

Laugh, laugh you met a guy who taught you how it
feels to be
Lonely, oh so lonely

Before I go I'd like to say one thing, don't close your
ears to me
Take my advice and you'll find out that bein'
Just another girl won't cause you misery
Don't say you can get any boy to call
Don't be so smug or else

You'll find you can't get any boy a'tall
You'll wind up an old lady sittin' on the shelf.

(Chorus)

Laugh, laugh, I thought I'd die
It seemed so funny to me
Laugh, laugh you met a guy who taught you how it
feels to be
Lonely, oh so lonely

Lonely, oh so lonely
