Now I don't care for playin' fair
I'm not the sharin' kind
I want you, a love that's true
A love that's only mine
And when it comes to your love, I'm the greedy kind

Well I don't like rules, I'm no fool
I do just what I please
I don't like games I just tame the animals I tease
When it comes to your love, I won't be appeased

Now there are few things I would do for you or anyone
Yeah, I just use and I abuse
But you have up and won
When it comes to your love, I've come undone

Yeah, I don't care for playin' fair
I'm not the sharin' kind
Yes, I want you, a love that's true
A love that's only mine
And when it comes to your love
I'm the greedy kind, greedy kind
Don't like rules, I'm no fool
I do just what I please
Don't play games, I just tame the animals I tease
Greedy kind, greedy kind, greedy kind
