You Tell Me Why

The Beau Brummels

(Ron Elliot)

You tell me that I should not cry

You tell me all good things must die

You ask me why I get upset

You tell me that I will forget

Tell me why.....

You say I can't be blue for long

You say I'll find new love that's strong

You tell me she was not for me

It's just the way love has to be

Tell me why

Why I cannot see her

She won't let me see her

Te-ell te-ell

Tell me why

You tell me I will find my way

Tomorrow won't be like today

You tell me life was meant to be

One-third good, two-thirds misery

Tell me why
