Invite Jesus back into your heart
What you feelin'
Misery, misery depart
Use God's wisdom; make a brand new start
But invite Jesus
Invite Jesus back into your heart

I was blind, but now I see
It was Jesus, it was Jesus hoodwinking me
First book, first chapter, first verse
Don't send a begging man to a bankrupt church

Chorus:
Cause this church is my church, not yours
And the wisdom knows the truth
And old testaments agree

Take Cliff Richards back into your heart
Pay him money
What's a good Lord

Join the church of the Sacred Heart
Invite Jesus
Invite Jesus back into your heart

You can sing the song of praise
Ten Hail Marys or a simple word like Grace
When you're on your knees
And you don't know what to think
Don't forget the wisemen worked for a High Street bank

Chorus:
Cause this church is my church, not yours
And wisdom knows the truth
And the old testaments agree
its Fleet Street B.C.

I was blind
But now I

But now I see
I was blind...
