If, if you choose that we will always lose Well then I'll sail this ship alone And if, if you decide to give him another try Well then I'll sail this ship alone Well they said if I wrote the perfect love song You would take me back Well I wrote it but I lost it And now will you take me back anyway Now if, if you insist that this is for the best Well then I'll sail this ship alone And if, if you swear that you no longer care Well then I'll sail this ship alone I'll sail this ship alone Between the pain and the pleasure I'll sail this ship alone Amongst the sharks and the treasure If you would rather go your way then go your way I'll sail this ship alone If, if you're afraid that I won't make the grade Well then I'll sail this ship alone And if, if you agree to him instead of me Well then I'll sail this ship alone Well they said if I wrote the perfect letter That I would have a chance Well I wrote it, and you burnt it And now do I have a chance anyway If, if you swear that you no longer care Well then I'll sail this ship alone I'll sail this ship alone Between the pain and the pleasure I'll sail this ship alone Amongst the sharks and the treasure If you would rather go your way then go your way I'll sail this ship alone Well they said if I burnt myself alive That you'd come running back
