(The Zombies)

The warmth of your love's
Like the warmth from the sun
And this will be our year
Took a long time to come...

Don't let go of my hand
Now the darkness has gone
This will be our year
Took a long time to come...

And I won't forget
The way you helped me up when I was down
And I won't forget
The way you said "darling, I love you"
You gave me faith to go on
Now we're there
And we've only just begun
This will be our year
Took a long time to come...

The warmth of your smile
Smile for me, little one
And this will be our year
Took a long time to come...

You don't have to worry
All your worried days are gone
This will be our year
Took a long time to come...

And I won't forget
The way you helped me up when I was down
And I won't forget
The way you said "darling, I love you"
You gave me faith to go on
Now we're there
We've only just begun
This will be our year
Took a long time to come...

And this will be our year
Took a long time to come...
