White teeth, white teeth

Talent is rugged determination
Skill is a little more dull
Genius buggers straight conversation
Makes sure that it's ass is full

So good looking people don't write no poetry
They're too busy holding their hands
You don't go to beach for depth of thought
If your brain's leaking grains of sand

'Cos white teeth are uglier than yellow teeth
False gums never make plans
Little stones hold big stories underneath
But the big stones go to the dance
The big stones go to the dance

When model puts pen to paper
Paper tends to turn to stone
'Cause original thoughts so hard to squeeze
From a face so easy to clone

So good looking people don't write no poetry
They're too busy holding their hands
You don't go to beach for depth of thought
If your brain's leaking grains of sand

'Cos white teeth are uglier than yellow teeth
False gums never make plans
Little stones hold big stories underneath
But the big stones go to the dance
The big stones go to the dance

Whilst the dedicated cancelled the dates on their latest
tour

'Cause genius had played that route ten times before
Hardwork made the excuse of being too hardcore
Yes don't fire shots from double barrel if you know
you're single bore

'Cos white teeth are uglier than yellow teeth
False gums never make plans
Little stones hold big stories underneath
But the big stones go to the dance
The big stones go to the dance
The big stones go to the dance
The big stones go to the dance
