Well ashes to Ashes.
Love to dust.
Sure as the sun will shine,
And I was lost in lust.
Now I am looking in your eyes,
So black and so cold.
Your words don't mean nothing,
This game is so old.
Now my world is spinning faster and faster.

No drama instead,
Your words go over my head.
Let's stop hurting each other,
So we can be alright.
You're so perfect in bed,
But still you're fucked in the head.
Everything you say,
I can't take your lies.
I can't take your lies.
This is just another Romeo and Juliet.

I swallowed my pride.
And way too many times,
I left my heart wide open.
Now I can't take no more.
Now I guess some things
Are just not meant to be - like you and me.
Now my world is spinning faster and faster.
No drama instead,
Your words go over my head.
Let's stop hurting each other,
So we can be alright.
You're so perfect in bed,
But still you're fucked in the head.
Everything you say,
I can't take your lies.
I can't take your lies.
This is just another Romeo and Juliet.

Everything's spinning. We're falling faster than ever.
We're on a one way track to a tragic disaster.

No drama instead,
Your words go over my head.
Let's stop hurting each other,
So we can be alright.
You're so perfect in bed,
But still you're fucked in the head.
Everything you say,
I can't take your lies.
I can't take your lies.
This is just another Romeo and Juliet
