That girl, She's a loaded gun
Gonna take 'em out take 'em one by one
She knows when she's dressed to kill
She'll put a bullet in your heart just to feel the thrill

She walks like she's walking on water
She moves like the Boss's Daughter
She rides like a '67 Chevy
In a drop top red and white and blue
Ohh what she does to me
With her long dark hair and her sexy thighs
Baby let me come inside
She's hell on heels
She turns my wheels
With her Devil smile and her Angel Eyes
And She's got me all hypnotized and she's hell on
heels

That girl needs somebody like me
A real man born with a sex degree
I was raised be the Devil's own kin
Taught me that a good time was never a sin

And she walks like she's walking on water
She moves like the Boss's Daughter
She rides like a '67 Chevy
In a drop top red and white and blue
Ohh what she does to me
With her long dark hair and her sexy thighs
Baby let me come inside
She's hell on heels
She turns my wheels
With her Devil smile and her Angel Eyes
And She's got me all hypnotized and she's hell on
heels

I love the way she moves those heels from hell
Lunch breaks lead to drinks in cheap hotels
I'm just another guy she'll burn inside her fire
I'd sell my soul for her desire

With her long dark hair and her sexy thighs
Baby let me come inside
She's hell on heels
She turns my wheels
With her Devil smile and her Angel Eyes
And She's got me all hypnotized
She's hell on heels
She's hell on heels
She's hell on heels

She's really got me with her Devil smile and her Angel
eyes
She's got me all hypnotized
She's hell on heels
