

Pop Evil "Breathe"

Visit "[Breathe](#)" on MotoLyrics.com

All these spoken words,
And broken dreams.
This misery.
All that's good is gone in me.
With every breath,
I can't escape the pain
It's caving in.
I am just about to break.

Every time I close my eyes,
I can't escape these lies.
Will I make it through to the other side?

I can't breathe when I'm suffocating.
Committed yesterday, now I'm over my head.
I can't breathe when it's complicated.
It's falling down on me,
I send it back on you.

Get away
Get away
Get away

All these years I try,
Nothing's changed.
About to break
I sacrificed myself.
With every breath,
I can't escape the pain.
This misery.
What's good is gone in me.
Every time I close my eyes,
I can't escape these lies.
Will I make it through to the other side?

I can't breathe when I'm suffocating.
Committed yesterday, now I'm over my head.
I can't breathe when it's complicated.
It's falling down on me,
I send it back on you.

I send it back on you.

I can't breathe when I'm suffocating.
Committed yesterday, now I'm over my head.
I can't breathe when it's complicated.
It's falling down on me,
I send it back on you.

It's complicated.
I'm been over my head still.
I am suffocating.
It's falling down on me.
I send it back on you.

Get away
Get away
Get away
