Hiding the shame - a distant memory
I'm so wasted, so ugly
Buried beneath all the compromise
I'm so jaded, frustrated

But I'm alive
I'm alive

It's not enough to be yourself to make amends
It's so messed up to be yourself when you're never,
never enough

Stealing the blame of your reflection
There's no failure, no envy
I've become all that I despise
I'm so faded, devastated
But I'm still alive
I'm alive

It's not enough to be yourself to make amends
It's so messed up to be yourself when you're not
enough
It's not enough to be yourself to make amends
It's so messed up to be yourself when you're never,
never enough
You're never enough

How can you save a distant memory?
That's so faded, so wasted
Bury the shame in your reflection
That's so jaded, so wasted
There's nothing to gain
And there's no one to blame.
Just you

I'm so wasted, I'm so ugly
I'm so jaded, I'm frustrated

It's not enough to be yourself to make amends
It's so messed up to be yourself when you're not
enough

It's not enough to be yourself to make amends
It's so messed up to be yourself when you're never,
never enough
You're never enough
