Can I leave behind
This open road I've seen before?
Just wasted time is all I have.
Still I need to know,
Just who I am, don't give a damn,
Cuz this has been too much for me to take.
Far away, I get cold.
Just a lesson in falling down.
Still I'm lost, never found one good reason.

How can I ever let go,
When all I really need to do is to breathe?
I'm trying hard not to show.
Will I ever let go?
Far away, I get cold.
Just a lesson in falling down.
Still, I'm lost, never found one good reason.

Hey mister, it's nice to meet you.
Some say this life is just a waste of time
Unless you believe.
Hey mister, lets ride to the edge this time.
Right now, I need something more than falling down.
A lesson in falling down.

Still, I need to know
Just who I am, don't give a damn.
Cuz this has been too much for me to take.
How do I live a lie?
No answers, only whys.
When all that's left inside are way more goodbyes.
Still far away, I get cold.

Hey mister, it's nice to meet you.
Some say this life is just a waste of time
Unless you believe.
Hey mister, lets ride to the edge this time.
Right now, I need something more than falling down...

Hey mister, it's nice to be here with you.
And my life is not a waste of time cuz I believe.
Hey mister, don't fall off the edge this time.

Right now I need something more than falling down.
